EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Helmholtz on 1/14/04.

The application has been amended as follows:

Claim 12, line 1 after "A" add -wiper arm including a-

Claim 12, line 3 after "part" add -for coupling one end to be driven by a driving member and for coupling an opposite end to support a wiper to be connected thereto-

The following is an examiner's statement of reasons for allowance:

Claim 12 includes the limitation that a wiper arm including a mechanical transmission part is comprising a body part made of a thermoplastic material filled with no more than 30% fibers and a flange made of a thermoplastic material filled with more than 40% fibers.

Krohne ('364), Deibel ('755) and Krohne ('770) all teach wipers arms comprising a body part and a flange however the references all fail to teach that the parts are made from a thermoplastic material each having different fiber contents, nor would it have been obvious to combine references to achieve the claimed invention.

Kalbas et al. (USPN 6212730), De Paoli et al. (USPN 6305066) and Aichele et al. (USPN 6253411) all teach a wiper arm is that made from a fiber-reinforced thermoplastic material

Art Unit: 1744

however none of the references teach a top part and a flange that each are comprised of different fiber contents.

For the above reasons the applicant is free from the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Additional notes

Examiner withdraws objection set forth in the office action mailed 8/25/03 regarding a claim for priority. Applicant is indeed entitled to claim priority based on French foreign application 98/11917.
